

IISMA for Vocational Student

Indonesian International Student Mobility Awards

Pembelajaran dengan kolaborasi bersama Industri (*Learning in collaboration with Industry*)

Mahasiswa dapat memilih salah satu dari skema yang tersedia, yaitu:

A. Program Pengalaman Industrial (*Industrial Experience Program*)

Skema ini berfokus kepada melakukan pembelajaran yang menitikberatkan kepada pengalaman belajar di industri seperti melakukan magang (*internship*), atau terjun langsung dengan pekerjaan yang sifatnya praktek.

B. Pembelajaran industrial berbasis kelas + Pengalaman industri (*Class-based learning + Industrial experiences*)

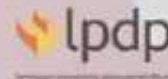

Skema *Class-based learning* dan *industrial experience* merupakan kombinasi antara pembelajaran di kelas dan mendapatkan pengalaman di industri seperti *short term internship*, studi kasus industri, atau melakukan kunjungan industri.

C. Pembelajaran industrial berbasis kelas (*Class-based learning*)

Skema *Class-based learning with industrial focus* berarti membangun sebuah program dengan metode pembelajaran di kelas dengan menghadirkan praktisi industri di kelas. Praktisi industri yang sesuai dengan keahliannya akan menyampaikan materi pembelajaran sesuai dengan pengalamannya berada di industri.
